Part-time Support Worker (21 hours)
Based in Limerick City

Founded in 2009, The Children's Grief Centre provides one-to-one support for school-aged children and young people (4–18 years) affected by loss through death, separation, or divorce.

We offer a safe and supportive place for children, young people, and their families who are grieving. Children are given the opportunity to explore feelings associated with loss and to learn that they are not alone. We aim to help children overcome obstacles that prevent them from leading full lives.

We are now seeking an empathetic and dedicated **Support Worker** to join our team of professionals in making a positive impact on the lives of children facing grief. This is an excellent opportunity to contribute to a compassionate and nurturing environment for children navigating challenging times.

2. A minimum of 5 years' relevant post-qualification experience working with children and young people

4. Strong communication and interpersonal skills, with the ability to build trust and rapport with children and their families
5. Ability to work collaboratively within a team-oriented environment
6. Competent working knowledge of computers and IT systems
